**Obra - Omnibus Budget Reconciliation Act (1987) which created Preadmission Screening and Resident Review (PASRR) for people with or suspected of having mental illness, mental retardation and related conditions who are seeking admission to or are residents of nursing facilities. It is a Preadmission Screening evaluation because the person either sought admission to a nursing home or already was a resident of a nursing home. It does not mean the person was admitted to the NF necessarily, although they may have been IF they met the need for NF services.
